It is the responsibility of every employee to follow the prescribed rules, policies and procedures as outlined in this general policy statement, as well as specific rules, policies and procedures as outlined by the individual's supervisor. It is the responsibility of the supervisor to insure that the provisions of this Article and the specified rules, policies and procedures are adhered to and that each employee is provided with a copy of all rules, policies and procedures for their respective department. Said rules, policies and procedures and changes thereof will be sent to the Union Representative and stewards two (2) weeks prior to the effective date.

It shall be the responsibility of the supervisor to insure that discipline is maintained. It shall be recognized by each supervisor, whenever disciplinary action is undertaken, it shall be in a corrective manner rather than in a punitive manner. Consistent with this attitude, disciplinary action shall be undertaken with the premise of retaining the employee in his/her position. However, it is recognized that not all employees will learn from disciplinary action and/or correct work habits which are not considered to be acceptable. It shall be recognized that the supervisor will apply the disciplinary standards in a fair and impartial manner toward each and every employee.

2.02 - Disciplinary Action – Notice Required

Any disciplinary action taken by the County shall be taken for just cause. Whenever employee performance falls below accepted standards, or whenever an employee is guilty of misconduct or disobedience or whenever an employee is guilty of an infraction of any rule of conduct, his/her supervisor shall inform the employee promptly and specifically of the alleged violation. Depending upon the severity thereof, and the history of similar and/or past offenses, any one or more of the following actions, if appropriate, may be taken by the supervisors.

A. Oral Warning

For a first offense, an oral warning shall be given to the employee and the nature of the warning, thereafter, reduced to written form, signed by the supervisor and employee, and placed in the employee's personnel folder. The required signature of the employee on the written form is merely an acknowledgment of the receipt of the document and shall not be construed as an admission of guilt, or an admission that the allegations contained in the written form are true. A copy of the written form shall be delivered to the employee, and a copy shall be forwarded to the Union. The written form in the employee's personnel file reporting the giving of an oral warning shall remain in the employee's active file for a period of one (1) year, during which time it can form the basis for additional and further action by the County. Following the expiration of a one (1) year period of time from the date on which the oral warning was given, the written record thereof shall be transferred to an inactive portion of the employee file, and the information contained therein shall be released, if at all, only with employee's authority and/or request.

B. Written Warning – Suspension

Following the oral warning, a reasonable time for improvement and correction will be allowed before any further disciplinary action is initiated. When an oral warning has not resulted in corrected behavior, a written warning shall be delivered to the employee, a copy thereof to be forwarded to the Union, and a final copy to be placed in the employee's personnel folder. Upon issuance of the second written warning, the employee's supervisor may suspend an employee without pay for a period not to exceed ten (10) working days. Written warning so issued shall expire at the end of the one (1) year, and upon the expiration of the one (1) year period, the written warning shall be removed from the active portion of the employee's personnel folder and placed in the inactive portion of the employee's folder, with the information contained therein not be released unless authorized and/or requested by the employee.
